

HUSTLER

WOODEN HUSTLER 4 & 6

The kit includes drawings of hardwood sections, cutting layout, panel dimensions, step by step assembly drawing and detailed instructions; lightly bronze-tinted glass in satin anodised aluminium frames, window and roof seal, rear window support struts and hinge, door lockset, bonnet and roof catches, front flashers, rear flasher/tail lamps and reflectors. You will need three sheets of 12 mm marine ply (four for 6), three sheets of 18 mm marine ply (four for 6), some hardwood sections, glue and screws.

HELLCAT 4 & 6

The kit consists of upper and lower frame painted black, with black interior moulding, under-bonnet moulding, facia, bonnet, catches and hinges, windscreen in black anodised aluminium frame, side lamps, tail lamps, reflectors. Optional extras are a half roof, tilt with zip off doors, hard top, pickup panel and quarter panels. A full set of Hustler white colour impregnated high gloss panels is also available for Hellcat (bonnet, side panels, front and rear lower panels).

HUSTLER 4 & 6

Complete body shell components, comprising two-part tubular steel frame in 38 x 38 and 38 x 19 mild steel painted black, body panels, roof with integral roof rack, lightly bronze-tinted glass fitted in black finished aluminium channels, hinged rear window, support struts, black leathergrained interior moulding and facia panel, black under-bonnet moulding, door lockset, front flasher/side lamps, rear flasher/tail lamps. Four door version also available.

HUNTSMAN

For Mini, 1100 or Metro components: complete body shell components as for Hustler 6, with brown frame and cream body panels, four door glass and second pillar, interior moulding allowing the use of forward facing seats in the rear with seatbelts, wheelarch flares.

HARRIER

Construction as Hustler 6, but with full height side hinged rear door.

SPRINT & SPORT

Construction as Hustler 4 & 6, but with wheelarch flares, side skirts, front spoiler, louvred bonnet, tail lamps including fog rearguard; Sport has soft top and hinged boot.

OTHER PARTS NECESSARY

Front and rear subframes (two rear subframes for 6) from Mini, 1100 or Metro, complete with suspension and dampers, engine, gearbox, gear-change linkage, exhaust system complete, braking system complete, clutch, accelerator, heater, instruments, wiring, horns, wiper motor, screen washers, 140 mm deep fuel tank (e.g. MGB), steering wheel, column and rack. You will also need 480 mm wiper arm and 510 mm blade. For Sprint and Sport, Colt Sapporo type headlamps.
